## The Main Roads Heritage Centre

### Toowoomba's Newest Museum

The Main Roads Heritage Centre has been developed to create an awareness of the department's contributions to the rural, economic and social development of Queensland.

Children can join Environmental Eve, Surveyor Sam and friends on an interesting road of discovery.

### About Us

#### Highlights of the Centre include:

- » Permanent public exhibition spaces showcasing the story and culture of a department rich in history.
- » Large mechanical items, great photographs and interesting oral histories.
- » An exciting children's trail.
- » A journey through some of the processes involved in road construction.

### At Our Open Days

**On the first Saturday of every month, our Volunteers bring the machines to life.**

**Watch** demonstrations of blacksmithing, bridge pile driving and working machinery.

**Listen** to the Main Roads Heritage Centre Volunteers explain the machines and displays.

**Learn** about the Department of Main Roads and the many career opportunities available.
